

FROM THE PRINCIPAL

Dear Parents and Community Members,

Oak Grove Elementary School strongly supports the district mission of 'unprecedented achievement' and we are proud of the academic accomplishments of our students. In 2013-14, Oak Grove received the highest Overall State Rating of Level 5. This rating represents a combination of student growth and achievement and indicates that our students are performing as well or better on standards based tests as students at other Oregon elementary schools.

We continue to work to provide a strong academic program that is challenging and rewarding and includes additional activities that support the arts and music. Our success is due to our

dedicated staff, involved parents, and a supportive PTC. Together we are committed to academic excellence. You can help by monitoring and talking with your student about homework and upcoming projects/assessments, attending parent teacher conferences and volunteering. We look forward to partnering with you over the coming year to ensure all of our students meet their potential! Please feel free to drop in or visit our website.

Thank you,

Principal | Jerrie Matuzak
