

FROM THE PRINCIPAL

Dear Parents and Community Members,

Oak Grove Elementary School strongly supports the district mission of 'unprecedented achievement' and we are proud of the academic accomplishments of our students.

Our students continually perform extremely well on standards based state tests. We continue to work to provide a strong academic program that is challenging and rewarding, it includes additional activities that support the arts and music. We have many after school programs that are offered to enhance our students in the areas of math, science, arts, STEM, and athletics.

Our success is due to our dedicated staff, involved parents, and a supportive Parent Teacher Club. Together we are all committed to academic excellence.

Our mission is to create a school where everyone can feel welcome, valued, and challenged to achieve personal and academic excellence. Our vision is to have a safe, caring, positive, and supportive learning environment for everyone who enters our building.

You can help by monitoring and talking with your student about homework and upcoming projects/assessments, attending parent teacher conferences, and volunteering. We look forward to partnering with you over the coming year to ensure all of our students meet their full potential!

Please feel free to drop in or visit our website.

Thank you,

Principal | Jerrie Matuszak
